Yeah the new 4cyl 1GD motor makes good power. But nothing car beat the unmistakable sound, feel and drive of the 4.5L V8 1VD-FTV. The great news is... WE'VE GOT ONE! And this is about as close as you'll get to buying a brand-new V8 cruiser off the showroom floor with ONLY 23,000KMS! And its not just salesman talk... this cruiser looks and drives like brand-new.
